At Apache we continuously strive to serve you, finding solutions that work for your customer’s toughest applications, including high temperatures.

We are proud to introduce the newest offering in our line of high temperature, belting products:
- **Spec#: 284**
- **Part#: 20026819**
- **Description**: 4-ply 440# 1/4 x 3/32 400º Maxi-Heat

**FEATURES/BENEFITS**
- High tension 4-ply belt designed for heavy-duty elevator service to transport hot material
- Thick top and bottom covers withstand heat and protect belt carcass

**APPLICATIONS/INDUSTRIES**
Bucket elevator belt for lifting hot materials, such as:
- Clinker
- Foundry Sand
- Silica Sand
- Cement
- Other Fine Materials

**STOCKING WAREHOUSE**
Stocked in Cedar Rapids in widths up to 72"

**BELT SPECIFICATIONS**
- **Thickness**: 19/32"
- **Minimum Pulleys**:
  - Conveyor: 20"
  - Elevator: 24"
- **Rubber Compound**: EPDM
- **Max Temperature for Continuous Service**: 300ºF
- **Max Bucket Projector**: 9"

Contact Apache today! We’ll help you find the right product for your high temperature belting needs!
